

Foreword

Hello friends of historical rallying,

Welcome to our monthly news from the world of historical rallying and from RREvents, the organizers of **Coppa d'Europa** and **Coppa d'Europa GT**.

REGISTRATION START

Since 15 August 2025, it has been possible to enter for our anniversary Coppa 2026. The easiest way to do this is electronically on our websites

www.coppa-europa.org or www.coppa-europa-gt.org.

FIRST ENTRY DEADLINE

Important note: We would like to point out that the cheapest first entry deadline for the Anniversary Coppa 2026 is already 1st October 2025!

The second entry deadline is 1st December 2025 and the final entry deadline is 10th January 2026.

RALLY BROCHURE

We sent out our Coppa brochures on 15 August 2025. For anyone who has not received one, this brochure containing all the necessary information can also be found on our website.

COPPA ON FACEBOOK AND INSTAGRAM

We have often been asked to publish information about our interesting rally on social media, as our Coppa is not well known in wider historical rally circles, even though it has been running successfully for 20 years.

We will now be publishing news, facts and interesting information on both FACEBOOK and INSTAGRAM in future. You will find access to this in the next newsletter and on our website.
